## Description

---

Norfolk Island is a small island located in the South Pacific Ocean, approximately 1,400 kilometers east of mainland Australia. It is a popular destination for tourists who are seeking a unique, peaceful, and secluded vacation experience.

One of the main attractions of Norfolk Island is its stunning natural beauty. The island is home to rugged cliffs, pristine beaches, and lush rainforests, which make it a paradise for outdoor enthusiasts. Visitors can enjoy a range of activities such as hiking, swimming, surfing, and fishing.

One of the must-see places on the island is the Kingston and Arthur's Vale Historic Area. This UNESCO World Heritage Site is home to a collection of buildings and ruins that tell the story of Norfolk Island's colonial past. The area was once a penal colony for convicts who were sent from Australia and has since become a fascinating historical attraction.

Another popular attraction on the island is the Norfolk Island National Park. The park covers a large area of the island and is home to a diverse range of flora and fauna, including many endemic species. Visitors can take guided tours to explore the park and learn about its unique ecosystems.

Including return international flights, a stay at the stunning Governors Lodge (set amongst 12 acres of landscaped gardens) and 7 days car hire to explore, this package is the island getaway you've been looking for. Whether you are seeking adventure, culture, or just some peace and quiet, this little island in the South Pacific has something to offer everyone.
